

NooJ Workshop

PROGRAM

10.00-10.15	Belinda Maia (FLUP) - <i>Opening</i>
10.15-11.15	Max Silberstein (Univ. de Franche Comté) - NooJ linguistic development environment
	Max will introduce NooJ, its components and functionalities, and will illustrate the application of the linguistic resources to text.
11.15-11.45	Coffee Break
11.45-12.30	Anabela Barreiro (FLUP) - Port4NooJ resources: future expansion and enhancement
	Anabela will present Port4NooJ resources developed within NooJ and will discuss possibilities of expansion and enhancement, namely expansion of the multiword units dictionary and grammars, with inclusion of transfers for machine translation.
12.30-14.00	Working lunch
14:00-16.00	Max Silberstein (Univ. de Franche Comté) - NooJ tutorial
	Max will help participants to become proficient with NooJ: (1) managing texts and corpora (2) constructing linguistic resources (3) developing syntactic grammars (4) annotating texts
16.00-16.30	Coffee break with discussion
16.30-17.30	<i>Summing up and discussion of future projects, integration of resources, sharing of ideas, and collaboration</i>
